

WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., THURSDAY, MARCH 17, 1904.

ONE COPY—ONE CENT.

PURE PESSIMISM.
Women go to cooking clubs.
And always hire a cook;
People go to reading clubs,
And never buy a book;
Women go to sewing clubs,
And never make a seam;
People join the writing clubs,
And never spoil a ream.
People go to golfing clubs,
And never find the tee;
People lead in boating clubs,
Who never see the sea;
People join athletic clubs,
And still their strength is weak;
People in debating clubs
Are seldom known to speak.
People in amusement clubs
Declare this life a bore;
Those in peace-proucing clubs
Are always out for gore;
Those who fill the singing clubs
Are destitute of song—
That's the look of all the clubs
To one who can't belong.

—Judge.

a boy, and was born yesterday morning at 9
o'clock.

Captain Edward W. Fitzgerald was in the city
last evening en route to Ashland. He will re-
tire from the railroad service on the 25th of
this month, after being with the C. and O. peo-
ple for 13 years, first as detective then as

gerald may select THE LEDGER wishes him
success.

New that spring is about due and houseclean-
ing time is here, how would it do in the general
renovation to paint the face of the "Goddess of
Liberty Enlightening the World" that adorns the
Market Street Esplanade? It would not be
amiss to have the water turned on in order that
the old lady might take an occasional bath, for
she now has an awful dirty and bedraggled ap-
pearance. It was erected as a fountain, then
why not use it for the purpose it was intended?

HOW THEY GROW!

The Elks Took in a Class of Fifteen
Members Last Night

There was doin's at the Maysville Elks Lodge
last night.

Four new applications for membership were
received,

And a class of fifteen was shown just how to
wear the antlers.

The candidates were from Augusta, Vance-
burg and Manchester, and as a matter of course
all their Elk friends came along to insure them
proper care and to return them safely to their
wives and sweethearts.

The Lodge expects to be in its new Home in
about three weeks, when it is hoped to have a
class of twenty or more.

The Order is growing!

AFTER FIVE MONTHS

Child Coughed Up Cartridge Shell
That Had Lodged in Throat

Some five months ago a four-year-old child of
Rev. Mr. James, colored, of the county, swal-
lowed an empty copper cartridge of the size of
a 32 caliber revolver, lodging in the wind pipe.

The child was brought to the office of Dr. A.
N. Ellis in this city, and that experienced sur-
geon and physician had charge of the case for
several days endeavoring to expel or dislodge it.
The best that could be done under the cir-
cumstances—the parents were not willing for
the child to undergo a surgical operation—was
to relieve it of its suffering and cause it to
breathe more freely; this it did.

The patient was taken home and its death
looked for in a short space of time. Contrary
to expectations it lingered on, coughing fre-
quently and becoming emaciated and weak.

Some days ago it had a more severe coughing
fit than usual, and while in one of these par-
oxysms dislodged the foreign substance and spit
it out. The child is getting along nicely and
soon will have recovered from the ill effects it
underwent.

In many respects it is a wonderful case.

**SOCIAL
EVENTS**

Portsmouth Blade.

Mr. J. D. Bridges's annual banquet to the
wholesale grocers of the city was an event of
Monday evening at his home in West Sixth
street. Sixteen fine looking gentlemen, includ-
ing the genial Mr. W. A. Murdock of Ironton,
surrounded a most beautifully appointed table.
The center of attraction was a pyramid of lighted
candles, revealing the secret of a birthday; we
won't say how many candles towered in the
pyramid, but the pleasure was great enough to
celebrate any number of birthdays. The war
element was represented in the ice cream, which
was served in the form of Japanese men bear-
ing the American Flag, but the Americans at the
table turned traitors and gobbled up the Japs,
which caused much merriment.

Gentlemen's Furnishing Goods that we carry. For this coming season our ambition to cater from the medium to the very choicest of
trade has induced us to put in lines of Shirts, Neckwear, Half Hose and Hats of higher quality than we have ever had in stock. We
want you to see them.

CHILDREN'S CLOTHING!

To the mothers who are just a little more than particular about their children's outfit we want to say that as soon as the weather gets
right for the little fellows' spring suits to come and see the new line of ultra fashionable Children's Suits that we have brought on for
this spring's trade, and prices fully 20% less than what you would pay for them away from home. We respectfully solicit an examina-

AUSTRALIA has more Churches per capita than any other country. This is the why, perhaps, that our friends the Australians are chasing Chicago's ELIJAH, Mr. DOWIE, from pulpit to organ loft.

Isn't it a remarkable spectacle that in this free country policemen have to protect men who are willing to work for the support of their wives and children? Are we to become a Nation of hoboes?

ANOTHER of Mr. BRISTOW's so-called "graft-ers" has been fined \$10,000 and assigned to a two years residence in Moundsville, W. Va.; but the lawyers claim to have unearthed a lot of evidence that will knock the "convictions" galley-west-and-crooked.

TENNESSEANS regard JACKSON's old home as a shrine; Ohioans do homage to McKINLEY's tomb; and other states revere the resting-places of the Presidents; and it has been asked why Kentuckians fail in their tributes to the grave of ZACHARY TAYLOR—a man who was a great soldier, a popular idol and the Chief Executive of the United States. The answer is easy. Neither Tennessee nor Ohio have made Patriotism subservient to Politics. It is a sad confession; but there's scarcely a doubt that a greater fund could be raised in Kentucky today to put a monument over some unscrupulous political partisan, than could be raised to erect a memorial to the only President whose home was in Kentucky and whose dust mingles with her soil.

WALLPAPER

Before you place your order, I will continue the cut price through March. Best place in town to buy PAINTS.

W. H. RYDER,

121 Saffron Street.

It is an evidence of considerable industry when a Magistrate imposes a fine of \$1 and piles up a bill of \$10.55 in costs.

THE rascals are being uncovered. The Globe Printing Company of Louisville last year collected from the State Treasury \$28,000 for a job of school supplies that The Courier-Journal Job Printing Company says was worth only \$3,600, and which F. C. NUNEMACHER offered to duplicate for \$2,800.

JUDGE H. C. TURLEY, Postmaster of Natchez under the McKinley Administration and a personal friend of the late Senator HANNA, resigned as Republican National Committeeman from Mississippi, and in a letter to The New York World thus explains his reasons:

NATCHEZ, MISS., February 29th.

To the Editor of The World: The views of the Administration and mine as to its Southern policies are so diametrically opposed, especially in its attitude toward the Republican party of Mississippi, that, not having the hardihood to ask for the resignation of the Administration, I tendered mine as National Committeeman.

The relations of the Southern wing of the party to the Administration are so anomalous as to be at least confusing to the average intellect. As we understand it, in Louisiana the Lily Whites are recognized, in Alabama the Black and Tans are countenanced. South Carolina, by way of recognition, is now again receiving a crumb from the White House table. In North Carolina race suicide is such that no matter how many children a Republican may have, "one must have had a grandfather to be qualified for suffrage." In Mississippi we have not only our friends, the Democrats, to contend with, but, like General LAWTON, we are being massacred by our friends in the rear.

The Republican Administration having established a Democratic protectorate and dictatorship over us, it is at least a logical inference that the Administration honestly believed there were no Republicans in this state of requisite integrity and capacity to conduct their own party affairs, and so was driven to the selecting of an honest, capable, Sound Money Democratic referee. Yet from that viewpoint we can't reconcile the subsequent appointment of a number of those unworthy Republicans to responsible positions where a high order of capacity and probity was requisite.

We argue that, being worthy of such positions, they must be capable and suitable to manage the state party independently of the counsel and directions of Democratic authority.

This experiment of the Administration is a dismal failure, but it seems impossible to impress conviction thereof.

H. C. TURLEY.

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamp to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamp, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamp is a blessing."

MR. RICHARD BUHLER IN "PAUL REVERE."

Mr. Dave A. Weis's scenic spectacle "Paul Revere" in which Mr. Richard Buhler is starring is attracting no little attention for its superb mounting and efficient acoustic properties. As the poem of "Paul Revere" is destined to live forever in the world of literature, so is the play by the same name to be long remembered in theatricals. Little need be said respecting Mr. Buhler's personality and ability for his capable efforts in previous productions have characterized him as an actor of rare merit. The supporting cast is excellent and includes many actors of prominence. To give adequate scenic environments, a carload of scenery and two beautiful horses are carried, thus insuring a first class production. The date is Saturday, matinee and night, March 19th. Seats now on sale at Ray's.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by J. Jas. Wood & Son, Druggists.

The Name Witch Hazel.

The name Witch Hazel is much abused. E. C. DeWitt & Co., Chicago, are the inventors of the original and only genuine Witch Hazel Salve, a certain cure for Cuts, Burns, Bruises, Eczema, Tetter, Piles, etc. There are many counterfeits of this salve, some of which are dangerous, while they are all worthless. In buying Witch Hazel Salve see that the name E. C. DeWitt & Co., Chicago, is on the box and a cure is certain. Sold by J. Jas. Wood & Son, Druggists.

SECRET SERVICE MAN IS ALWAYS AT HIS BEST.

Theodore E. Payne, Superintendent of the Great Bureau, Tells What He Owes to the Celebrated Nerve Vitalizer and Tonic.

Paine's Celery Compound.

Philadelphia, February 20.
"For anyone whose work requires excessive nerve power or nerve concentration I know of nothing better than Paine's Celery Compound. Any one compelled to devote long hours and close attention to details—when the work won't wait until one feels like working—will be greatly benefited by the use of Paine's Celery Compound. I have used it off and on for the past five or six years and always with beneficial results."—Theodore E. Payne, Superintendent Standard Secret Service Bureau.

LEADER OF LABOR HAD COMMON SPRING SYMPTOMS.

"I want to recommend Paine's Celery Compound to all sufferers from liver trouble and its complications, biliousness, constipation, floating spots before the eyes—and dull thoughts. I suffered from these troubles every spring for a long time. I tried Paine's Celery Compound as a last resort, and I am now in perfect health."—Chas. T. Jones, Business Agent of Baggage and Parcel Delivery Drivers and Helpers' Union, Chicago.

Overwork—Extreme Nervousness.

"For several years I suffered with extreme nervousness, due to overwork in my exacting duties as pressman, and could scarcely sleep at night. I was told of Paine's Celery Compound by a friend, and after taking one bottle received a great deal of benefit. I purchased another bottle and consider my nerves better than they have been for years. I cannot speak too highly of Paine's Celery Compound, and think it one of the world's greatest medicines."—J. E. Sarberg, 2360 16th Street, S., Minneapolis.

Learn how much better you can feel—Go to your Druggist Today—Get one bottle—Feel just ONCE that abundant new nerve force made by Paine's Celery Compound—You will NEVER AGAIN be contented with low spirits and poor health.

Employment agents at St. Louis are doing a good business hiring Hungarians to steamboats to take the places of Negroes as deckhands and roustabouts. The boats using the white men report them as being superior to Negroes as workers.

Last season the American Shipbuilding Company built twenty-nine ships, with a carrying capacity of 166,000 net tons, and had contracts at the close of the season for an equal number with a carrying capacity of 165,000 net tons. This leads the world's record for output in shipbuilding of any one company.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Ray, Postoffice Drugstore.

Judge A. M. J. Cochran has appointed C. F. Attersan Receiver for the Winchester Water Company.

MASON'S SENATOR

Was Father of Both of Kentucky's Worlds Fair Bills

The Frankfort correspondent of The Louisville Herald, in noting the prominent men who do things at the Capitol, has this brief mention of the Senator from the Mason-Lewis District:

"William H. Cox, one of the Republican Senators of this session, is from Maysville, Ky.

"Mr. Cox was born in 1856, has been in the drygoods business for thirty-three years, and held the office of Mayor and Councilman of his town for many terms.

"Was a Delegate to the Republican Convention at Minneapolis, Minn., in 1892, and was one of the 425 that met in Market Hall of that city and pledged to Harrison for President, and was after selected the Kentucky Republican to notify Harrison of his nomination.

"Was tendered nomination for Congress in 1888 and 1898 and refused.

"Was elected State Senator in 1899 and re-elected in 1903.

"Introduced the first bill appropriating \$100,000 for World's Fair, and carried it through the Senate and lost by four votes in the House, and again introduced the bill in 1904.

"He is a member of the Kentucky World's Fair Commission, and is a Knight Templar and an Oddfellow."

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a lot of remedies to no avail until I used One Minute Cough Cure. Four bottles of this remedy cured me entirely of the cough, and my lungs and strength were restored. I feel better, health and strength. Sincerely, Gertrude E. Fenner, Marion, Ind., and Son, Drugists."

Maysville Boy Arrested at Bucyrus, Ohio, While Begging

Charles Millard, aged 12, was taken up by the Police at Bucyrus, Ohio, Tuesday while begging, on the pretense that he had a crippled hand.

Chief of Police Donovan was wired of the case and for information as to the boy's parents. He is a son of Mrs. Frank Workman of East Second street.

Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

Several around here have sold their tobacco to Mr. Blackburn at prices ranging from 4 to 5 1/2 cents, to be delivered at Petersburg. Many crops yet remain unsold.

Prof. Jerry R. Ogden of Tacoma is engaged in giving Miss Nettie Christman and Miss Dorra Martin lessons at their homes, taking week about giving lessons at each other's house.

Thomas James of Goddard, who married Miss Elsie Carpenter, a worthy young lady of this place, last July, has sold his property and intends to go to Iowa to make that place their future home. We wish them all success.

Mr. Thomas R. Stevens, who had a sale a few days ago, has moved to Mason county where he will engage in the mercantile business. Elijah Bolding and family have moved from Bowman to the place vacated by Stevens and will run the store and Postoffice at Tacoma.

Married, February 23d, at the home of the bride, Mr. William Fearn, aged 60, and Mrs. Nancy Powers, aged 59. This was the groom's second marriage and the bride's third. They left immediately for the groom's home at Wadsworth, where an elegant reception awaited them. They will reside at his home.

The road leading from this place to Bowman and on to the sawmill over near Muse's Mill has become almost impassable. We need a pike up this road badly, and if Spring is very much longer coming we shall be shut out from the outside world just as completely as if the ground had opened up and swallowed us from the face of the earth. We need never think of free rural delivery at this place and to Bowman until we have better roads. We need a good road p. d. q. and unless we get it we are afraid the dear old LEDGER will have to stop, for the roads will get so bad we can't get it from the office after it reaches here.

Hiram Stamper and wife contemplate going to housekeeping soon in a cottage near here belonging to James S. Bowman of Wedonia.

S. T. Carpenter had the misfortune to lose his only cow a short time ago. Will Million also lost a valuable steer by its eating tobacco. John Bowman lost a fine horse by it falling and breaking its leg on the ice and had to be killed.

Mr. Malon Doyle of Goddard was shaking hands with friends and relations at this place last week and extending cordial invitation to visit them in their new home he has purchased and moved to, near their former home at Goddard, between that place and Flemingsburg.

The death angel visited this place on the 2d inst., and stamped as his victim Mrs. Charles E. Florence, nee Emily Hurst, wife of Charles E. Florence and youngest daughter of James B. and Lucinda Hurst. Mrs. Florence had been a sufferer for about three years with asthma and contracted a cold, which developed pneumonia, from which she died on the evening of the 2d. She was conscious until the end and signified her readiness and willingness to meet her Maker. She was married to Charles Florence February 7th, 1901, and to them was born a bright little daughter, who survives. While with her parents she had been a dutiful daughter, ever ready to make their lives happy with her cheerful and pleasant disposition. She leaves three brothers, two sisters, a heart-broken husband, besides her father and mother, to whom we extend our heartfelt sympathy. [Copied from Wallingford items to Fleming Gazette.] Mr. and Mrs. Florence were well known at this place, and we also extend our sympathy to the bereaved relatives.

Mr. Charles A. Howard contemplates moving from South Ripley to Missouri.

READ IT THROUGH.

'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "o'er true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.
